MEMORANDUM SUBJECT | Thater DEVA

I. Thefer DEVA is from the Rossova region of Albania and has long been recognised as a Ideder of the Albanian Rossova groups. He led in the fight against TITO and ilbanian Communist partisens in the 1942-bit period and as a Kossovar has been known as violently anti-Sugarlavia (TITO) as well as a size Communist. He was pro-derman, having studied in Germany, and served as Minister of Interior in Albania during the German compatible there. It is reported that he used this position to perpetitude extreme brutalities against the Entional Liberation Rossomant, Communist led movement in Albania during the

2. Subject was one of the founders and important leaders of the Second Leading of Prigren, an organisation formed to unite all Esseevers for the defence of Kegleva against the Slave. It might be said that DEVA is a simple-minded mati-floamentat Mationalist (or more particularly, pre-Kesseva) who is negligible to purely patriotic considerations. This has apparently been his code as an independent Albanian political personality in exile in Italy in the years since the war.
